

Sport Premium Funding

2017/2018 Review and 2018/2019 Allocation

BA Vision for Physical Education.

At Biggleswade Academy we aim to establish a wide ranging PE programme to develop a sporting culture which helps to improve all pupils' physical wellbeing and lifestyles. It is expected that through a planned programme of action we will promote participation, enjoyment, progress and foster a life-lasting enthusiasm and awareness of the inherent health benefits.

Primary School's Sports Funding

What is the Sports Premium?

The Government has provided funding of £150 million per annum for academic years 2013/14, 2014/15, 2015/16, 2016/17 and 2017/2018 to improve provision of physical education (PE) and sport in primary schools.

The sport funding can only be spent on sport and PE provision in schools. OFSTED will play a significant role in ensuring that schools target this funding in areas which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all children throughout the Primary Phase.

For this academic year the school will receive £21,310 in two lump sums: November and February

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. Possible uses for the funding can include:

- Hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- New or additional sport clubs and experiences
- Paying for professional development opportunities in PE/sport
- Providing cover to release primary teachers for professional development in PE/sport
- Running sport competitions, or increasing participation in school games
- Buying quality assured professional development modules or materials for PE/sport
- Providing places for pupils in after school sport clubs.

It is expected that schools will see an improvement against the following 5 key indicators:

- 1) the engagement of all pupils in regular physical activity – kick start healthy active lifestyles.
- 2) the profile of PE and sport being raised across the school as a tool for whole school improvement.
- 3) increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4) broader experience of a range of sports and activities offered to all pupils
- 5) increased participation in competitive sport

Review of 2017/2018

Area	Indicator	Impact
<p>Continue to offer a range of Extracurricular clubs</p> <p>Multi-Active</p>	<p>The engagement of all pupils in regular physical activity – kick start healthy active lifestyles</p> <p>The profile of PE and sport being raised across the school as a tool for whole school improvement</p> <p>Broader experience of a range of sports and activities offered to all pupils</p> <p>Increased participation in competitive sport</p>	<p>Lunch time and after school clubs continued from the previous year’s provision to include: KS1 Football, Rugby and Athletics KS2 Football, Netball, Athletics, Rounders, Kwik Cricket</p> <p>Pupils were able to compete in Quad kids athletics for the first time, plus girls’ football.</p> <p>Link made with Multi Active sport with agreement to begin after school clubs in September (KS1 Multisports & KS2 Archery). Agreement enabled us to access Multi-Active staff to run one Y3/4 circus skills club at lunchtime and one Y1/2 multisports club at lunchtime</p>
<p>SSCO member of staff</p> <p>Level 1</p>	<p>To continue the link with the SSP to increase opportunities for CPD and competition</p> <p>To work alongside “ride a bike” by providing training for Bikeability at both Levels 1 and 2</p> <p>To work alongside Sustrans in safer routes to school including the Santa challenge for KS1 and the Big Pedal</p>	<p>Participation in competitions for: KS2 Quad kids – teams from Y3-6 entered. Year 6 won and qualified for county games Y6 girls football – won the SSP and qualified for county games Y5/6 Kwik Cricket – Y5 boys won the SSP and qualified for county finals Football league for Y6 boys football</p> <p>Bikeability Organised for 44 Yr5/6 children to participate in Bikeability Level 1 and Level 2 programme. 41 pupils achieved level 2, 3 achieved level 1 Organised for Yr4 children to participate in Bikeability Level 1 – all passed Level 1.</p> <p>Sustrans KS1 pupils had the opportunity to participate in scootability within curriculum time Santa Challenge and big pedal promoted use of cycling, scooting and walking to school Go ride British Cycling ran workshops with Y5 and Y6 SEN pupils Alister Barclay ran 2 learn to ride sessions with parental input - 10 pupils participated with 6 of them being able to ride confidently by themselves at the end of the session.</p>
<p>PE Curriculum development and staff knowledge</p>	<p>Increased confidence, knowledge and skills of all staff in teaching PE and sport</p>	<p>Purchase of PE hub enabled non-specialist staff to have ideas and a new focus with schemes of work for all areas of the curriculum, linking to Academy / Can assessment system. New</p>

PE Hub Equipment		equipment was purchased for all areas to enable new activities to be taught: Y2 HRF – stopwatches Y3/4 – Football, Tennis, Quad kid athletics age appropriate equipment
Mini-bus / transport provision	Increased participation in competitive sport	Provided transportation for pupils to compete in competitions at local partnership level and county finals where applicable. This allowed us to enter the quad kids for the first time allowing pupils to experience and International Athletics Stadium and compete against other schools.
Stars of PE	The profile of PE and sport being raised across the school as a tool for whole school improvement.	Initiative that encouraged and motivated pupils to excel beyond their expectations with PE, within lessons and extra curricular clubs. Reward activity for award winners
Lunchtime provision	Increased activities for KS1 & 2 being made at lunchtime with the introduction of new equipment and the opportunity for Y2 & Y6 to be Playground helpers	Pupils have organised equipment and ensured it is shared out in liaison with the lunchtime supervisors. Pupils have a range of activities that they can take part in at lunchtimes. Y2 have playground pals that also organise the equipment at break in addition to lunchtime Heavy duty football goals purchased for the MUGA to enable football club to continue in the winter months under floodlights, and enable KS2 pupils to use at lunchtimes on rotation to ensure equality of use.
Fitness area	Increase structure and activities for pupils during break and lunchtime	The first stage of a fitness area has been created on the Mead End playground with 5 pieces of outdoor gym equipment for pupils to use on rotation.
