

Sport Premium Funding

2018/2019 Review and 2019/2020 Allocation

BA Vision for Physical Education.

At Biggleswade Academy we aim to establish a wide ranging PE programme to develop a sporting culture which helps to improve all pupils' physical wellbeing and lifestyles. It is expected that through a planned programme of action we will promote participation, enjoyment, progress and foster a life-lasting enthusiasm and awareness of the inherent health benefits.

Primary School's Sports Funding

What is the Sports Premium?

The Government has provided funding of £150 million per annum for academic years 2013/14, 2014/15, 2015/16, 2016/17, 2017/2018 and 2018/19 to improve provision of physical education (PE) and sport in primary schools.

The sport funding can only be spent on sport and PE provision in schools. OFSTED will play a significant role in ensuring that schools target this funding in areas which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all children throughout the Primary Phase.

For this academic year the school will receive £21,610 in two lump sums: November and February

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. Possible uses for the funding can include:

- Hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- New or additional sport clubs and experiences
- Paying for professional development opportunities in PE/sport
- Providing cover to release primary teachers for professional development in PE/sport
- Running sport competitions, or increasing participation in school games
- Buying quality assured professional development modules or materials for PE/sport
- Providing places for pupils in after school sport clubs.

It is expected that schools will see an improvement against the following 5 key indicators:

- 1) The engagement of all pupils in regular physical activity - kick start healthy active lifestyles
- 2) The profile of PE and sport being raised across the school as a tool for whole school improvement
- 3) Increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4) Broader experience of a range of sports and activities offered to all pupils
- 5) Increased participation in competitive sport

Review of 2018/2019

Area	Indicator	Impact
<p>Continue to offer a range of Extracurricular clubs</p> <p>Multi-Active</p>	<p>The engagement of all pupils in regular physical activity – kick start healthy active lifestyles</p> <p>The profile of PE and sport being raised across the school as a tool for whole school improvement</p> <p>Broader experience of a range of sports and activities offered to all pupils</p> <p>Increased participation in competitive sport</p>	<p>Lunch time and after school clubs continued from the previous year’s provision.</p> <p>Pupils were able to compete in Quad kids athletics for the second year running, winning and going to summer games. They got to experience competing against the best and the entire event at the International athletics stadium.</p> <p>KS2 archery was a success with Multi Active and an additional club was funded to enable those that didn’t get a place first time to attend. Both these clubs were full with approximately 30 pupils taking this opportunity.</p> <p>KS1 multisports ran for our Y1&2 and capacity was full.</p> <p>Approximately 15 Y3 have attend circus skills clubs at lunchtimes, run by Multi-Active.</p> <p>A Year 4 scooter club was set up with 34 pupils signing up initially and 17 regularly attending. New equipment was purchased to allow pupils to use ramps and grind rails, alongside the necessary safety equipment.</p> <p>Friendly football matches were arranged for Year 3&4, following on from their attendance at football club.</p>
<p>SSCO member of staff</p> <p><u>Level 1</u></p>	<p>To increase opportunities for pupils to experience other activities</p> <p>To work alongside “ride a bike” by providing training for Bikeability at both Levels 1 and 2</p> <p>Continue to work alongside Sustrans in safer routes to school including the</p>	<p>Participation in competitions for:</p> <p>KS2 Quad kids – Year 6 won and qualified for county games</p> <p>Bikeability</p> <p>Organised for 48 Yr5/6 children to participate in Bikeability Level 1 and Level 2 programme. 47 pupils achieved level 2, 1 achieved level 1</p> <p>Organised for 36 Yr4 children to participate in Bikeability Level 1 – all passed Level 1. One was fully funded but more children wanted to take part so 2 extra courses were organised.</p> <p>Sustrans</p> <p>Santa Challenge and big pedal promoted use of cycling, scooting and walking to school</p>

	Santa challenge for KS1 and the Big Pedal	
PE Curriculum development and staff knowledge PE Hub Equipment	Increased confidence, knowledge and skills of all staff in teaching PE and sport	It was decided to renew our purchase of the PE hub to continue the development of a new curriculum and to enable new ideas/activities to be taught, especially by non specialists.
Mini-bus / transport provision	Continued participation in competitive sport	Provided transportation for pupils to compete in competitions at local partnership level and county finals where applicable.
Fitness area	Increase structure and activities for pupils during break and lunchtime	A trim trail has been designed through pupil input and construction for this will be during the summer holidays. This will be placed on the mead end site and be on all weather requiring a lot of ground work. It was decided to wait until this could be done safely without impacting on pupil movement and lessons/routines, hence the delay in constructing.

Expected Biggleswade Academy allocation for 2019-2020 is £21,610.00

Planned expenditure for 2019-2020

SSCO member of staff - LB £5,500 (approx.)

Continue to provide support to existing and non-specialist staff. Link with Bikeability and Sustrans to develop healthy choices of transport and opportunities to further their learning

Development of fitness area - Y3-6 £8,000 (approx.)

Playground exercise markings to enable pupils to have different opportunities to take part in fitness during their break/lunch on the Europe playground.

Development of KS1 playgrounds - £3000 (approx.)

Playground markings, trim trail and 3 way shooter posts, to enable pupils to have different opportunities to take part in activities during their break/lunch

Transport £2000 (approx.)

To provide transport for pupils to continue competing in competitions at local partnership level and county games level.

Additional Bikeability funding £200 (approx.)

To provide additional Level 1 places if required.

Additional Outdoor Table Tennis Table/Table football £1000 (approx.)

To enable increased involvement at break/lunchtime play

To be involved in competitive opportunities with other schools

Supply Cover for participation in events and competitions organised by SSP and County Partnership £1000 (approx.)

To enable pupils to experience competition at higher levels.
